

THE DISCUSSION ON HAVING CHILDREN

- (1) Do you have or want children? Why?
- (2) Have you had much experience with children?
- (3) Do you like children of all ages (babies, toddlers, adolescents/teenagers)?
- (4) Do you think everyone should have children?
- (5) How many children should people have?
- (6) What's your opinion of people who choose not to have children?
- (7) What's your understanding of the terms "childless" and "childfree"?
- (8) What do you think of clubs for childless and childfree people?
- (9) What are some good and bad reasons for having children?
- (10) What are some good and bad reasons for not having children?
- (11) Should people who have hereditary diseases have children?
- (12) Should a single person have children?
- (13) How old is too old to have a baby?
- (14) If you couldn't have children, would you adopt?
- (15) Do you think you are or would be a good parent? Why or why not?
- (16) What makes it so expensive to raise a child these days?
- (17) If raising children were free, how many children would you like to have?
- (18) Does a family need children to be considered "a family"? Can a couple without kids be a family?
